Additional information

<http://www.wolfram.com/> Latest version 6 ([by request](#))

- ? Students are required to use the student version of Mathematica.
- ? Faculty and staff can get a non-student version by requesting a CD.
- ? For Linux/Unix and newer versions, you will need to purchase a CD.

? Unix users also will need to [register](#) through Wolfram. The license ID can be found [here](#).

The Mathematica Journal is now available as a free benefit of the Unlimited Site License for online viewing. If you still want the paper copy, you will need to pay for the subscription. If not, you can look at it for free through the site license. Visit <http://www.mathematica-journal.com/>. You will be prompted to enter your license ID.
