

Duke Office of Information Technology

Site-License Software

Stata

Purchase information

All orders are placed through [Order through Stata](#)
Stata

NOTE: Available to faculty, staff and students for use either on-site
or off-site

Technical support

Visit Stata's [support page](#).

Additional information

Duke University's GradPlan agreement with Stata allows members of the Duke community to purchase Stata 10.0 at a significantly reduced price. All orders are placed directly with Stata, and the software is picked up from the [OIT Service Desk](#).

Stata is offered in multiple packages. Visit www.stata.com for more information.
