## Site-License Software

### WinZip

NOTE: Available to faculty, staff and students for use either on-site or off-site

#### Download information

Windows 9X/ME/NT/2000/XP      [Winzip 9.0 SR1](#)

#### Technical support

For technical support, please refer to the [WinZip website](#). It has a comprehensive FAQ page. If further technical support is needed, please contact the [OIT Service Desk](#) at 684-2200.

#### Additional information

<http://www.winzip.com/>

WinZip brings the convenience of Windows to the use of Zip files without requiring PKZIP and PKUNZIP. The WinZip Wizard makes unzipping easy.

WinZip features built-in support for popular Internet file formats, including TAR, gzip, UNIX compress, UUencode, BinHex and MIME. ARJ, LZH and WinZip includes an intuitive point-and-click drag-and-drop interface for viewing, running, extracting, adding, deleting, and testing files in archives. 32-bit Windows 9.x, Windows NT and Windows 2000 versions are included in the same package.
