

# Duke Office of Information Technology

## Printing

Duke offers free and low-cost laser printing at dozens of locations throughout the campus, including libraries, computer labs, and busy campus centers. Just print your document from your computer, go to any ePrint station and swipe your DukeCard to print the documents you sent to the printer.

- ? [Download & install the client](#)
- ? [Using ePrint](#)
- ? [Print double-sided](#)

*Note: A Vista compatible client will be available for the Fall 2007 semester on the download page listed above.*
