DukeStream Pro Server Testing

If you're having problems with your streaming media files, the links below will assist you in troubleshooting. These clips should always be functional. If they don't work for you, your difficulties may be network-related.

Quicktime Server

Type the following URL in QT Player: <rtsp://quicktime.oit.duke.edu/dms/servertest.mp4>

Link to our QuickTime test file via ref movie:

http://www.oit.duke.edu/web-multimedia/multimedia/dukestream/servertest_ref_pro.mov

Real

Type the following URL in your Web browser.

<http://realmedia.oit.duke.edu/ramgen/dms/servertest.rv>
